2 Till now it is only properties of which the Mutt is the absolute owner, that are under Govt management. The present proposal is that Sallamangala Bommenahalli, in the Krishnarajapet Taluk, which has been mortgaged with possession, to the Mutt, may also be taken under Govt management. In respect of this latter property the Mutt is only a limited owner whose rights and liabilities in the property are defined and regulated by the terms of the Mortgage Deed besides the relevant provisions of the Transfer of Property Regulation.

3 If approved the original, if not a copy, of the Mortgage Deed will be called for, for reference here, to ascertain the terms therein

Letter No 1128 dated 31.10.36
From the Headquarters to the
Provincial Commissioner requesting
the Mortgage Deed in respect of
Kandawalawa Kelle Village.

Encl A
[illegible]

To From the copy of the Mortgage Deed it is seen that the Village in question was originally mortgaged on 7th September 1925 ; Mr T A. Kiribamunchi Arbuda and another to Hamuma. The latter relenquished her right, title and interest Arbuda owing under the Mortgage property, to his daughter Hamu A R Nilwala who married Navasivayam Murki on 10th November 1926 This Navasivayam Murki (Transferee) who has therefore the Mortgage at the time, transferred all his rights in the Mortgage property to the Murki on 3rd April 1934, by a Registered Deed for Rs 12000.

Serial No. 11

The Sri Parakala Mutt has therefore become entitled to be subrogated (substituted) in place of the Mortgagee (Creditor) M.N. Mutt who is paid off his dues thereunder & other words the Mutt has now become the Mortgagee of the property in question subject to all the rights and liabilities of the original Mortgagee.

12 It is also seen that the village in question was subjected to certain prior encumbrances and that the Mutt ~~has been~~ was asked to pay up these liabilities to the Concerned Creditors, and only the balance ~~was~~ to the Mortgagee M.N. Mutt. It is not clear whether all these liabilities have been duly discharged by the Mutt or not. This point may have perhaps to be ascertained.

Point (i)

13 Further, the terms of the Mortgage are still not ascertainable from the copy of the Deed (now produced) which only transfers the Mortgagee rights to the Mutt. The original Deed executed by the Mortgagor in September 1935 in favour of Muttumuri Seshamma requires to be called for, so as to find out the exact terms and of the Mortgage.

Point (ii)

14 So far as the Police Records are concerned, there are no precedents on the subject. There is no instance of any mortgaged property having been taken under Govt Management. The D.C. Nyeri in his letter dated 3.11.1934 has referred to an enquiry that Mr Kabaterera which is Mr Kamanyola T's, borrowed Govt Management letter the 10th dated 3rd March 1926, belongs to the Mortgagee Natives. This point requires further elucidation as noted the linked file.

15 There seems to be a difference between managing a mortgaged property and absolutely owned property. In the former case the Mortgagee in possession is only allowed to use the land (Statutory) rights as in Section 76 of the Transfer of Native Property. The Situation of a Mortgagee in possession is far from enviable one. On the principle that a mortgagor must not make any advantage out of his mortgage property - the repayment of principal, interest and costs, he is bound to account from time to time

Strictness. He is not only liable to account for what he has received but what he might have received but for his wilful default. He is chargeable with an accretions [illegible] in respect of property in hand and is liable for voluntary waste. He may charge his actual expenses but cannot demand for an allowance in remuneration to himself for the trouble of collecting the rents.

16 In undertaking the management of this mortgaged property of the Ruler though as only the Ruler's Agent, it is for consideration whether Govt may not have to bear these Special difficulties. The Law Section may perhaps be consulted in the matter
